

BUSINESS PLAN PROGRAM

OF

CARAGA SOUTH LUMBER DEALER AND FURNITURE ASSOCIATION (CASLUDEAFA)

C. Y. 2025-2026

I. INTRODUCTION

The Caraga South Lumber Dealer and Furniture Association (CASLUDEAFA) was composed of thirty-five (35) members of small-time businessmen engaged in sticks and lumber retailing/dealing. The association is represented by its President, Ms. Narly M. Perang with registered Lumber Dealer in the Department of Environment and Natural Resources with Certificate No. LD-R13-18-10032024 with business address at New Market Mabini, Cabadbaran City.

Since the issuance of the first DENR Certificate of Registration as Lumber Dealer, the association has actively participated to the DENR environmental activities such a tree planting in support to the National Greening Program.

This business plan is valid for **one year** only. After this period, a comprehensive review and update will be conducted to adjust strategies, goals, and financial projections based on market trends and business performance.

II. OBJECTIVES

- To firmly established a functional lumber yard in order to cater lumber needs of the growing economic activity in the locality and other neighboring municipalities and within the Province of Agusan Del Norte and neighboring Provinces;
- To provide employment opportunities to the local residence.

III. PRODUCTION PROGRAM

A. SOURCE OF RAW

The association has entered a lumber supply contract with a total volume of 145,000.00 board feet annually of lumber/flitches (Gmelina, Falcata, Mangium, and Mahogany species) contracted with C. Japitana Woodcraft, a legitimate Wood Processing Plant in Butuan City.

B. OPERATION SCHEDULE

Continuous operation of lumber yards as long as all necessary permits and clearances are secured from the concerned government offices.

C. PROCESSING SCHEDULE

The association will not involve any breakdown of raw logs into lumber in adherence to DENR policy. Lumber purchased from different legal sources of marketable size shall be displayed immediately at the proponents' lumberyard.

IV. EMPLOYMENT PROGRAM

Each member of the association shall hire at least two (2) to four (4) workers. The workers shall receive minimum wages in accordance to the Department of Labor and Employment.

VI. POLLUTION CONTROL MEASURES

All waste materials from one product shall be converted and/or utilized as raw materials for another products, such as the production of wood tiles from trimming of lumbers, woodchips into briquettes and sawdust landfill to the area of the proponent.

VII. COST REDUCTION

As mentioned above, the efficiency in conversion of waste materials to other usable/marketable products and the use conversion means shall greatly contribute the effectiveness for the lumber dealership.

VIII. MARKETING PROGRAM

A. THE PRODUCTS

- Primary products-Lumber and Sticks
- Secondary Products-school chairs, boxes, firewood, door panels, boards, office/dining tables and other furniture wood products, wall decorative cabinet, etc.

B. DISTRIBUTION/CHANNELS/OUTLETS

- Local
- Domestic

C. PROMOTION/S

*Display the Certificate of Registration at the site of the lumber yard exposed to the public.

*Offering price discounts that shall be directly proportional to the increase in the volume of customers purchase.

IX. FINANCIAL PROGRAM

The association shall invest additional sizable amount of capital in the business venture for the operation if the economic atmosphere in the country shall show some brighter prospects as indicated in the increase surplus income of the consuming public, and thus, would result the brisk trading in every sector of the business community.
